Archival Donation and Talk: Mario T. García and Rosalío Muñoz in Conversation (December 6, 2018) (video) The CSRC celebrated the donation to the CSRC Library of an oral history collection assembled by Mario T. García, professor of Chicana/o studies at UC Santa Barbara, by hosting a public conversation between García and Chicano activist Rosalío Muñoz. Muñoz was the first Mexican American to be elected student body president at UCLA, and he served as co-chair of the Chicano Moratorium Committee. The two discussed how Muñoz's oral history contributed to García's book *The Chicano Generation: Testimonios of the Movement* (2015, University of California Press). Carlos M. Haro, CSRC assistant director emeritus, introduced the event.
